

Hello Good Living Expo Vendors,

Hope this email finds you well. For those of you who don't know me, I work on the event team and handle a lot of the events at the show as well as the Food Permits.

Based on your products, we believe you may be sampling food/drinks at the 2021 Good Living Expo. If you will NOT be offering samples, please let me know ASAP so I can remove you from our list of who needs sampling permits. Sampling is still allowed and we will be following all of the COVID and safety protocols at the show.

Here is a link to our safety plan

If you ARE sampling, you are required to obtain a Sampling Permit from the City of Overland Park. **The deadline to obtain your permit is Jan. 22nd.**

The city is very strict on this deadline and there will be no exceptions!

Below are instructions on how to apply for the permit as well as an attachment with the sampling regulations.

Vendors: How to Apply for Temporary Food Vendor Permit

Vendor must first register on ePLACE. (www.opkansas.org/eplace). If you have sampled at OPCC before you will already have registered and can skip this step but you will need to know your login information.
